SUMMARY

A member of the Yamazaki Bread Factory for 1 year and 10 months. Have experience working not only in one department but also in seven departments, working in many different departments. A motto is satisfying customers and working in cooperation with my coworkers. So, challenging to do various types of work while helping my colleagues at your company.

WORK EXPERIENCE

Yamazaki Bread Factory

Yuji Sato- Kyoto, Japan

January 2022 - present

- I take about two hours of careful concentration to make each product.
- When molding the product, I make with size and thickness in mind.
- Because there are New Year's and Christmas events in winter, I produce tens of thousands of products with coworkers a day.
- Because Yamazaki bread factory is Multinational Corporations, we help each other by trial and error, such as speaking slowly and communicating with hand movements.

ADDITIONAL SKILLS

- Entering data
- Using a computer
- Managing money
- Planning activities
- Driving vehicles

Certificate issued by Satya Nadella.

LANGUAGE

- Japanese - fluent

- English - leaning

VOLUNTEERS

- Cleaning up the neighborhood

August 2024

Because there are many elderly people in my neighborhood, I clean the places where they can't reach.

- Picking up trash in the city

June 2019

I even pick up trash that that has been thrown on the side of the road.
